

Home institutions of the researchers from non HSS fields who have signed the IPBC Manifesto

23/04/2020

Albania

University of Tirania

Algeria

FASCINE Institute

Australia

Australian Entomological Society

Biomonitoring International

Curtin University

Deakin University

Ecological Society of Australia

Environmental Institute of Australia and New Zealand

Royal Society of Western Australia

University of Tasmania, Antarctic Climate and Ecosystems Cooperative Research Center

Belgium

Earth and Life Institute of the Catholic University of Leuven

Ghent University

Benin

University of Abomey-Calavi

University of Parakou

Bhutan

College of Natural Resources of the Royal University of Bhutan

Brazil

Boitata Institute

Federal University of Goiás

Rio de Janeiro State University, Institute of Biology

Bulgaria

Institute of Soil Science, Agrotechnologies and Plant Protection “N. Poushkarov”

Forest Research Institute of Bulgaria

Burkina Faso

JACIGREEN

Cameroon

University of Yaoundé

China

Tianjin University, School of Architecture

University of Hong Kong, Healthy High Density Cities Lab

University of Peking, College of Architecture and Landscape

Finland

University of Turku

France

AGROPARISTECH

European Organization for Nuclear Research (CERN)

French Academy of Agriculture

CNRS

Conservatory of Natural Spaces of Midi-Pyrénées, Scientific Council

Deep Ocean Odyssey

ENTPE, Laboratoire de Tribologie Dynamique des Systèmes

French Society of Ecology and Evolution

INRIA

Institut Français de Recherche pour l'Exploitation de la Mer (IFREMER)

Institut National Polytechnique of Toulouse

Institut National des Sciences Appliquées (INSA), Laboratoire Ampère

ISIPCA

Laboratory Écologie Fonctionnelle et Environnement (CNRS)

Ministry of Ecology, Sustainable Development

National Museum of Natural History

Rectorship of Versailles

Sorbonne University

TOBAM

University of Grenoble-Alpes

University of Grenoble-Alpes, APESA and PACTE Laboratory

University of Grenoble-Alpes, Institute of Geosciences and Environment

University of Lorraine, Laboratory of Agronomy and Environment

University of Lyon (ENTPE)

University of Perpignan, Laboratory of Processes, Materials and Solar Energy

University of Rennes

University of Toulouse (DYNAFOR Lab, Dynamics and Ecology of Agricultural and Forest Landscapes, INRA)

University Paul Sabatier (ECOLAB, Toulouse)

University Paul Valéry Montpellier III

India

Center for International Forestry Research

Israel

Ben-Gurion University

Italy

Dolphin Biology and Conservation

Joint Research Center (Tropical Ecosystem Environmental Observation by Satellite)

Sapienza University of Rome, Faculty of Mathematics, Physics and Natural Sciences (SMFN)

University of Calabria

Japan

University of Tsukuba

Kenya

Kenya Marine and Fisheries Research Institute

Madagascar

Institut pour la Maîtrise de l'Energie

University of Antananarivo

Mexico

National Metrology Center

Morocco

Abdelmalek Essaâdi University

Netherlands

Dutch Research Institute for Transitions

University of Groningen

Portugal

University of Aveiro

University of Porto, CIBIO-InBIO

Russia

Nansen International Environmental and Remote Sensing Centre (NIERSC)

UNESCO, Chair in Green Chemistry for Sustainable Development

South Africa

Nelson Mandela University

Spain

Institute of Environmental Sciences and Technologies (ICTA, Barcelona)

National Museum of Natural Sciences (MNCN-CSIC)

SEO/BirdLife

University of Oviedo

Tchad

Division of Protected Areas and of Biodiversity Conservation, National Focal Point of the Cartagena Protocol

Ministry of Environment, Water and Fishing Direction of the Conservation of the Wildlife and Protected Areas

University of Sarh

Tunisia

INSAT

United Arab Emirates

New York University Abu Dhabi

UK

Royal Entomological Society of London

University of Birmingham, School of Physics and Astronomy

University of Plymouth

USA

Arizona State University, Julie Ann Wrigley Global Institute of Sustainability

Ethologists for the Ethical Treatment of Animals: Citizens for Responsible Animal Behavior Studies

George Lynn Cross and Sam Noble Museum

High Council of Biotechnologies

Hopkins Marine Station

National Geographic

National Museum of Natural History, Ecology and Biodiversity Management Department

Northern Arizona University

Ocean Conservation Society

Stanford University

University of California (Santa Cruz), Institute for Ecological and Evolutionary Climate Impacts

University of Colorado

University of Oklahoma

University of South Florida

Wildlife Conservation Society

World Wildlife Fund
